

Enabling every child to fulfil his/her potential in a nurturing Christian environment...

Dear Parents/Carers,

Please find attached a copy of the attainment results for our Year 2 and Year 6 children following their SATS assessments this academic year. I am sure you will agree that the level of performance is fantastic and goes to prove that children of all abilities can achieve amazing outcomes at our school.

I would just like to express how extremely proud the staff and I are of all of our Year 2 and 6 pupils and the results they have achieved. However there are no assessment results to measure your child's natural talent for sport, dancing, singing or playing a musical instrument. They do not measure your child's ability to be a good friend to others or that their laughter can brighten the darkest day. They do not assess how kind, trustworthy and thoughtful your child is. SATs represent a small part of the work we do to ensure our children reach their full potential and leave Utkinton St Paul's Primary School ready for the next stage of their learning.

Best wishes,

Mr G Coyne

Acting Headteacher
