Weekly Value – Love

'Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others; it is not self-seeking.'

John 4:16

Dear Parents,

As we move towards the last week of this academic year we look at co-ordinating our leavers' events as well as start the process of preparation for the new school year in September. We are delighted with the appointments we have made this week and look forward to welcoming our new staff members into our school community in September.

We apologise for the delay in sending out reports. Issues around printing brought about the delay and we wanted to make sure everything was sent out accurately. However, those expecting SATS results will have received these. Well done to all of the children for their fantastic performances in the assessments. As a school they have made us all very proud.

Next week is both the Leavers' Production and the Leavers' Service. Both of these events will take place in the Village Hall this year due to the ongoing tidy up operation in school, meaning we have not yet got enough space to use our new hall. Seats on the first rows will be saved for families of children who are leaving us this year. Each family will have two seats reserved for them.

Best wishes, Mr Coyne

Infants Experience a Taste of Africa

This week saw the annual infant residential to the Tattenhall Centre. Children from across our partnership schools took part in a range of activities that provided opportunity for them to showcase a range of skills. Some of the activities we took part in were making dens, toasting marshmallows, creating batik African animal art and rounding this all off with an inspiring session with the African drummers. Everyone had a great time and represented the schools wonderfully. There were certainly a lot of tired children (and teachers!) by the end.

What have we been learning this week?

Reception

Literacy/Maths – we have been writing about the animals in Ronald the Rhino and continuing to compare quantities.

Year 1/2

Literacy – we have been writing letters in the role of a character.

Maths – we have been recognising and creating shape patterns.

Year 3/4

Literacy – independently writing our non-chronological reports.

Maths – we have been completing mental arithmetic assessments.

Year 5/6

Literacy – we have been writing our own poems using humour.

Maths – we have been working on a range of arithmetic skills.

Sports Day Fun and Enjoyment for All

Today was our annual Sports Day and despite the weather doing its best to try and spoil it we had a wonderful time. The morning involved all of the children taking part in the field events, providing opportunity for children whose talent lies in those events chance to succeed, before the evening track events. There were some fantastic performances and it was great to see so much talent shining through. Thank you to Mrs Clarke and the PTA for their fantastic work in organising the day.

Evie Jones

For always being polite and having lovely manners.

Reception

Charlie Jobson – for always being **loving** and kind to everyone.

Year 1/2

Naomi Kyle – for always being a **loving** friend.

Year 3/4

Jake Lancelott – for showing **love** to younger children around him.

Year 5/6

Leo Wilson – for showing **love** to friends and members of staff.
