Weekly Value – Endurance

*'May the God who gives **endurance** and encouragement give you the same attitude of mind toward each other that Christ Jesus had.'*

Romans 15:4

Dear Parents,

Thank you to everybody who attended Parents' Evening last Tuesday evening. We hope that you found this experience useful in allowing you to understand the current attainment and progress of your child/ren. Staff would like to thank parents for the many positive comments they received on the evening as well as the support offered. As always a positive home-school relationship is vital in ensuring the best possible environment for your children to make progress.

This Friday is Comic Relief and we will be supporting this event in school. Across the week, children will be learning more about Comic Relief in Collective Worship to ensure they have a thorough understanding of why we raise money to support this cause. On the day, children will have opportunity to come to school dressed in red and bring a donation. A recommended donation is £1. The School Ethos Group will collect these donations on the day. Class Teachers will also be organising some themed activities to support children's knowledge and understanding.

Best wishes,

Mr G. Coyne (Acting Headteacher)

World Book Day Fun at Utkinton

Last Thursday was World Book Day and the children had lots of fun celebrating the occasion! Children from across the school were able to arrive dressed as their favourite character but more importantly they were able to share with everyone their love of reading. Activities were organised throughout the day to encourage this passion, including a book hunt. Furthermore, children were able to share examples of their favourite books and find quotes that they felt best represented a character. Everyone had a great time and I would like to thank Miss Jones for her organisation of the event.

Reception Children Celebrate Shrove Tuesday

Children in Reception had opportunity to enjoy Shrove Tuesday or 'Pancake Day' last week. They learnt about the story behind this annual occasion before having opportunity to not only make but eat pancakes! Everyone enjoyed the experience and pancakes are definitely now a favourite with all of the children!

What did we learn about last week?

Reception

Literacy/Maths – we have been solving addition problems with a number line and writing about our favourite pancake toppings.

Year 1/2

Literacy – planning a non-chronological report about sea creatures.

Maths – we have been multiplying by 2, 5 and 10.

Year 3/4

Literacy – writing a description of our own Greek creatures.

Maths – we have been solving problems involving equivalent fractions.

Year 5/6

Literacy – we have been selecting language to describe events.

Maths – simplifying fractions using our knowledge of factors.

For your info

SCHOOL PAYMENTS

As we are approaching the end of the financial year, please can I request that all payments for dinner money, before and after school clubs and trips are cleared by **Friday 29th March**. We have a number of accounts that are outstanding since September 2018 and we'd appreciate your support to ensure all overdue payments are settled promptly, thank you.

RED NOSE DAY

We are supporting Comic Relief and have a box of Red Noses which will be on sale to pupils from the school office on Monday 11th March. We only have a limited amount of noses available, therefore they will be sold on a first come, first served basis and are priced at £1.25 per nose.
