Stars of the Week

Dear Parents/Guardians

Firstly I would like to say a huge 'well done' to our Year 6 children for their approach towards SATs last week. I have never known a group of children approach their SATs in such a calm, positive manner and with a huge smile on their faces before and after each test. They were a credit to the school and their parents. We feel they truly deserved their water fight as a celebration. We have also booked the annual Y6 Leavers' night out which involves pizza and bowling on Wednesday 17th July. More details to follow.

We would also like to thank Mrs. Harris for her 'Mad Science Morning' with Years 5 & 6 where they had an opportunity to build towers out of spaghetti and marshmallows; create patterns with skittles; make paper aeroplanes and compete in a jelly chopsticks challenge.

We are also extremely proud of our Reception who played brilliantly in their Football tournament. Apparently, they were the best organised team in terms of how they spread out to face the opposition at the start of each match!
