

'Enabling every child to fulfil his/her potential in a nurturing Christian environment.'

Friday 15th November 2019

Dear Reception Parents and Carers,

We have recently started an exciting new phonics programme called Read, Write Inc. As discussed in our reading meeting, we have brand new reading books for the children to read at home. We are currently learning our new speed sounds and will be sending out the new reading books in 4 weeks' time. During the four weeks the children will be bringing home story books for you to read to, and enjoy with the children. Please find the 'My Set 1 Speed Sounds' book for the children to practise at home. Our next phonics information evening is on Thursday 5th December 2019 at 3:40pm.

Yours sincerely

Claire Chaloner
