Our visit to Cadbury World

When we arrived at Cadbury World, we queued up and we received an Oreo Dairy Milk chocolate bar AND a Crunchie chocolate bar too. All of us were tingling with excitement.

We went through a door and suddenly saw a jungle. Then we noticed it was the Mayans, which is our class topic. One of the models was holding a Cocoa bean and the rest of the Mayans were bowing to the Cocoa bean. - **By Noah**

When we went to Cadbury World, all of the class were given a Crunchie and a Oreo Dairy Milk chocolate bar. I ate mine before we got through the first door. In the first door, there were sculptures and Mayans and we then went into another room and in that, we were shown the production of chocolate. We went for lunch and had a play in the park and then we went to the 4D Chocolate Adventure ride. We were given 4D glasses to wear and we sat in seats and it felt like we were moving forwards. We loved it at Cadbury World and we would like to go again. - **By Oscar S.**

Infant visit to Liverpool Maritime Museum

Our infant classes enjoyed a swashbuckling day out at Liverpool Maritime Museum last week. Their visit supported their class room topic - Pirates. They had a fantastic day exploring all the exhibits, finding out about historical and modern day piracy, immigration as well as learning about the coastline.

We went to the museum to learn about Pirates. We learnt all about new Pirates and they are called Smugglers and they are bad people. My favourite part of the day was learning more about the seaside.- **By David.**

I liked learning more about the seaside. It was fun to learn about how the seaside has changed from the olden days to now. My favourite part was learning how to protect animals from Smugglers.- **By Emily A-J.**

I liked seeing a Pirate ship and looking at the different people. My favourite part was learning about new Pirates called Smugglers.- **By Amber.**
