

'Enabling every child to fulfil his/her potential in a nurturing Christian environment.'

11<sup>th</sup> February 2020

Dear Parents/Carers,

This coming Thursday and Friday (13<sup>th</sup> and 14<sup>th</sup> February), we will be having two art days. Our focus for the two days will be on printing, using different materials. As we will be using paints which may stain clothes, we suggest your child comes in non-uniform clothes you do not mind getting messy. If you have any questions, please come and speak to me.

We will still be doing Phonics on these days, so please can you send your child to school with their book bag.

Yours sincerely

Alex Coker
